

## The microFINANCE REVIEW

Centre for Microfinance Research

**BANKERS INSTITUTE OF RURAL DEVELOPMENT, LUCKNOW,**

The **microFINANCE REVIEW** is a journal which provides platform for policy makers, donors, researchers and others who are associated with the microfinance sector to come together and debate on various issues such as socio-economic empowerment, institutional arrangements and innovations in microfinance products with special focus on rural clients and other identified issues pertaining to the microfinance sector in India and abroad.

The journal is brought out twice a year, one being a Seminar Issue which publishes the papers presented during the Annual Seminars organized by CMR and the other being an open issue which publishes papers/ articles on diverse themes related to the micro-finance sector.

By Subscribing to the journal, you can help us in disseminating the knowledge generated from the output of the hard work done by the researchers in the field of microfinance and disseminating the ideas / successful models presented by various authors in this journal.

If you wish to publish any research paper in our journal, kindly go through the guidelines for submission of the paper. We will keep you updated with additional information on our home page from time to time. We will be pleased to receive your comments/suggestions on the journal at [birdjournal @yahoo.in](mailto:birdjournal@yahoo.in).

S K Chatterjee  
Editor

## **AIMS and OBJECTIVES of the Journal**

To promote studies on issues related to the microfinance sector in India and abroad in order to sensitize the policy makers, donors, researchers and others who are associated with the sector. The journal proposes to identify key problems and encourage debate in the microFinance sector on issues such as socio-economic empowerment, institutional arrangements and innovations in microFinance products with special focus on rural clients.
